

HIS ASSESSMENT REDUCED.

TRENOR L. PARK WINS HIS CASE AGAINST THE ASSESSORS OF HARRISON—AN OVERVALUED ESTATE SOLD.

Alvord Peck, counsel for the assessors of the town of Harrison, in Westchester County, yesterday consented to the entry of an order reducing the assessment of Trenor L. Park's real estate in the town of Harrison. Mr. Peck agreed to reduce the assessment from \$125,000 to \$100,000 and James W. Huston, of the firm of Huston & Huston, accepted the valuation on behalf of Mr. Park. The assessors valued Mr. Park's house and fifty acres of land last year at \$150,000. Mr. Huston obtained a writ of certiorari for a review of the assessment, and Henry C. Henderson was appointed referee. The order reducing the assessment will be entered this week, and it is understood that the new assessment will be placed at the amount agreed on.

The assessors of the village of Tarrytown met last evening to consider the eighty-five protests filed with them on Tuesday. They decided some of the complaints and granted a few reductions, but it is expected that when they file the revised roll of reductions of several hundred thousand dollars will have been made.

When a Tribune reporter called on Mr. Brown, owner of a farm, yesterday, he refused to allow him to see the affidavits, as he believed they were not public records. Mr. Brown said he would allow no one to examine them, as he had no time to do so in a ten-cent case if necessary.

An important real estate sale, which will have a bearing on the Rockefellers' suit, was made in North Tarrytown yesterday. The Henry P. Moore, less estate of John Moore, on Pleasant Hill, was sold to W. G. Dowling, of New York, for \$30,000, although the Mount Pleasant assessors valued it at \$6,500. This would tend to show that the Rockefellers' land is also overvalued. The Mount Pleasant assessors, who will not be allowed to trespass on or inspect Rockwood Hall, as Mr. Rockefeller does not desire his presence there.

OFF FOR HER SUMMER CRUISE.**THE SCHOOLSHIP ST. MARY'S, WITH EIGHTY CADETS, STARTS FOR GREENLAND.**

After a long delay, caused by the war with Spain, the schoolship St. Mary's began to cast off her lines yesterday morning preparatory to starting on an annual summer cruise. The boys expect to go as far as Greenland anyway, and if the war is over by the time the vessel gets there they will go to Europe for a cruise.

The complement of the St. Mary's is eighty cadets, but she has twenty-two officers and crew, all of whom are competent men on the sea, who are to instruct the cadets and who will take charge of the vessel in an emergency.

There was a large number of the friends and relatives of the boys at the ship yesterday morning, including a number of young women. The cadets at liberty said goodby to everybody they met, while seven hundred seafarers at work inside selecting three cases out of five applicants for the places that had not been filled.

The first stopping place of the St. Mary's is to be Carter Bay, Paria, and it is expected to remain there until the vessel proceeds to New York, Newport, Boston, Portland, Halifax and Greenland. Off Greenland the vessel will await orders.

Lieutenant Howard Patterson is in command of the St. Mary's. He has been specially detailed from the New-York Naval School to take command
